

# Interventional Spasticity Intensive: Case-Based Skills Training and Assessment

**When:** Wednesday, November 13, 2019, 1 pm – 5 pm

**Where:** Henry B. Gonzalez Convention Center, San Antonio, TX

~40 Attendees

~12 Faculty

*In this innovative and interactive learning environment, attendees will be introduced to a spasticity patient-based case. They will review patient goals, perform assessments, develop treatment plans, practice their procedural skills, and review post-procedural prescriptions.*

**Reach your target audience and support the advancement of the spasticity at this half-day spasticity preconference course!**

- Host an exhibit table outside of the course
- Distribute a marketing piece to attendees of the course
- Ability for 2 representatives to observe the course
- Meter board placed outside of the course, which will remain in a high traffic area for the entire meeting
- Banner advertisement included in email communication sent from AAPM&R to course attendees
- Banner advertisement on the preconference course page on the AAPM&R website for 30 days
- Support recognition across AAPM&R channels

**Fee: \$12,500**

**Additional Opportunities:**

- ☐ Exhibit sponsor tabletop only - \$3,000
- ☐ Distribute promotional material only - \$2,500
- ☐ Both Exhibit and Distribute - \$5,000

**Topics Include:**
