For physiatrists going into practice after fellowship

- 18-month membership (July 2021-December 2022)

50% OFF MEMBERSHIP DUES—\$325

- A payment plan is also available
- Be sure to talk with your employer about including membership in your contract. Several organizations pay for membership, so it's important to bring this up in the negotiating process.

Upon your residency graduation, choose the path that aligns with the next stage in your career.

Once you complete the Fellowship Pathway, you transition to the Practice Pathway.

Student loan and insurance discounts as well as travel/entertainment offers

Once you pick your pathway, you'll receive valuable benefits along the way:

Physician burnout and wellness resources

Virtual mentoring to help you build connections

Discounted Annual Assembly registration

aapm&r
ANNUAL ASSEMBLY 2021

phyzFORUM

Early-career online community on PhysForum

PM&R

Print issues of *PM&R* and *The Physiatrist* for the latest research and PM&R news

Career and practice tools

Once you've completed the Practice Pathway and paid your full membership dues, you'll

receive a complimentary Annual Assembly!

The free registration is valid for three years, as long as you consistently maintain your membership upon residency graduation.
