

Susan Lee Hubbell, MD, FAAPMR
Chair, Health Policy, Practice and Advocacy Committee

Tell members a little bit about yourself.

Your Practice

I was in a small private practice of PM&R from 1986 until 2021. Before that I was full time faculty at The Ohio State University Department of PM&R. I also saw patients at the VA outpatient clinic and worked at the Columbus Social Security office. In private practice I saw patients of all ages and all diagnoses. I did electromyography and consultations and followed some of my patients with chronic conditions for over 30 years. I am now non-salary faculty at The Ohio State University Department of PM&R. I am Delegate for AAPM&R to the AMA and Delegate to the Ohio State Medical Association from my county.

Your Life Outside of Work

I have a new dog named Milo. I purchased a day sailboat 2 years ago and sail it at Indian Lake in Ohio. I have season tickets for Ohio State football games and follow my local high school sports teams. I love live music, Broadway productions and local live theater.

What accomplishments/honors are you particularly proud of that you would like to share with members?

Distinguished Clinician from AAPM&R. OSU Mershon Award for service to OSU. Distinguished Alumni Hall of Fame Lima City School. Alumni Hall of Fame OSU Lima

What have you advanced in your local community outside of or in conjunction with your medical practice?

I am a member of the Lima Rotary Club which had done many projects in Lima including a new downtown amphitheater, a bike and walking path and two small outdoor theaters. I was President of the Lima Rotary Foundation and have served on the Boards of the Foundation and the Lima Rotary Club. I am on the Advisory Board for our local Equestrian Therapy Program. I served on the Advisory Board for the Lima Regional Campus of The Ohio State University. I served on the Grievance Committee for the Allen County Bar Association for over 10 years.

What special skills or unique attributes do you bring to the Board of Governors?

I have a wide variety of experience since I have worked as a faculty member in an academic center, and as a physician in private practice, at the Columbus VA, and at the Social Security Disability Office in Columbus. I have worked in a small rural community and at a large university in a large town. I have been Delegate to the American Medical Association for many years so have many contacts in multiple specialty societies and in many states. I have taught medical students and residents.
