New Inpatient and Skilled Nursing Facility Evaluation and Management Coding

Updates take effect January 1, 2023 for code selection and documentation of:

- Initial, subsequent and discharge day inpatient evaluation and management codes (99221-99223, 99231-99233, 99238 and 99239)
- Initial, subsequent and discharge day nursing facility evaluation and management codes (99304-99310, 99315 and 99316)

New code and guideline language is available to download for free on the AMA website:

<https://www.ama-assn.org/system/files/2023-e-m-descriptors-guidelines.pdf>.

Questions: Contact AAPM&R at healthpolicy@aapmr.org.
