

# AAPM&R's Online Learning Portal— [onlinelearning.aapmr.org](http://onlinelearning.aapmr.org)

AAPM&R's Online Learning Portal is our home for the essential clinical and practice resources physiatrists need, including updated educational content and features to provide a modern online learning experience. With a wide selection of activity types and an extensive range of topics to choose from, you can learn when it's convenient for you! Our Online Learning Portal is easy to navigate and features a fresh, clean look.

## Log in to:

- ⊕ Access more than 130 clinical and practice educational resources
- ⊕ Search for activities by clinical topic
- ⊕ Manage your personalized CME transcript and print it instantly
- ⊕ Enter CME obtained from other organizations to your transcript
- ⊕ Automatically report CME credits earned to the American Board of Physical Medicine and Rehabilitation (ABPMR)

## Keep the AAPM&R Education Coming with our Online Education Subscription for Members

Add a subscription to your annual membership and receive 24/7 access to 130+ products housed in our Online Learning Portal, offering 98+ CME, including:

Instructional Videos

Focused Review Courses

Webinar Recordings

Podcasts

Case Studies

And more!

Content is continuously being added, so check back often to see what's new. Access is even easier with the Online Learning Portal app, **AAPM&R Learn**. With the Academy's current learning platform and mobile app, you can start the content on one device and complete it on a different device, starting off where you last left it. All content accessed on the Online Learning Portal can also be viewed through the mobile app.

The Online Education Subscription is your hassle-free way to get caught up on the newest education and resources within the field of PM&R.

**AAPM&R Member Pricing:** \$175 (or \$50 for resident members). Your subscription lasts throughout your annual membership cycle. The 130+ products range from \$10-\$150 each, when purchased à la carte, which means you're saving more than \$2,500. Order your subscription today at [onlinelearning.aapmr.org](http://onlinelearning.aapmr.org).
