Report for
AMERICAN ACADEMY OF PHYSICAL MEDICINE & REHABILITATION

WALK-THRU ACCESSIBILITY INSPECTION OF

A. MUSIC CITY CENTER – CONVENTION FACILITY.

B. CONTRACTED HOTELS SERVING CONVENTION FACILITY.

C. ACCESSIBLE ROUTE TO MUSIC CITY CENTER FROM CONTRACTED HOTELS.
A. MUSIC CITY CENTER – CONVENTION FACILITY.

Walk-thru inspection includes only rooms noted in Exhibit #1 and restrooms, drinking fountains serving these rooms (Locations noted with red squares).

Inspector checked 27 toilet rooms and adjoining drinking fountains, room signage and service counters.

The convention center was completed in 2013 and maybe the most compliant facility ever inspected by PDS America.

The 27 toilet rooms were checked for compliance with the Americans with Disability Act (ADA) per the 2010 Standards for Accessible Design (SAD). The following are the list of items that were checked.

- Accessible stall size.
- Accessible stall hardware.
- Toilet C/L and grab bar locations.
- Toilet paper dispenser locations.
- Robe hook heights.
- Han dryers.
- Paper towel dispenser heights.
- Soap dispensers.
- Mirror heights.
- Lavatory height and knee space.
- Pipe insulation.
- Accessible sink hardware.
- Door hardware – where applicable.
- Ambulatory stall hardware.
- Urinal height compliance.
- Operable parts – one hand check.
- Drinking fountain heights.

The walk-thru found all ADA elements to be in compliance in the toilet rooms except Male toilet serving lobby area on level 1.

Accessible stall is 59\(\frac{1}{2}\) " deep; toilet C/L 18\(\frac{1}{2}\) "

- No significant reduction in accessibility.
Exceptions:
Door to toilet room serving ball room pre-function area lacked compliant Door Maneuver Space (DMS) on latch pull side. See circled door in red on Exhibit A – Level 4

Ramp at Level 1 – Official entrance to convention hall (See ramp location circled in red). Ramp exceeds max 8.33% running slope – several readings in 9.2% to 9.3%. No significant reduction in accessibility.

Auto door opener at Level 1 official entrance located within outward door swing. Person in wheelchair can get hit by door swing. Opener needs to be relocated out of door swing.
B. WALK-THRU OF CONTRACTED HOTELS SERVING CONVENTION FACILITY.

Hotels include:
1. Omni Nashville.
2. Cambria.
3. Hampton Inn & Suites.
5. Hyatt Place.

C. ACCESSIBLE ROUTE TO MUSIC CITY CENTER FROM CONTRACTED HOTELS

Accessible routes from contracted hotels checked, located and mapped. See Accessible route marked in Black color on Exhibit #2.

Routes selected were city street sidewalk from accessible entrance to hotel to convention center accessible entrances and as close to a 5% running slope as possible.

Also, routes were located at marked cross walks when crossing roadways.

Route from Westin and Cambria uses level 3 lobby entrance to music city center on corner of Demonbreun Street and 8th Ave South to elevators then down to Level 1 on Rep. John Lewis Way (See Exhibit #2).
LEVEL 1: Meeting Rooms

We have meeting rooms 101 and 104. These will be used for sessions.
