AAPM&R Annual Assembly Digital Prospectus

The AAPM&R Annual Assembly is the largest educational conference in the country for physiatrists, making it the best opportunity to deliver your message to this targeted audience. Reach AAPM&R members as they investigate hotel and travel details, education and networking sessions, and registration information.

Benefits of Sponsorship and Advertising:

- **Prolonged Exposure:** Advertising is seen when the website launches in **May 2024**. Additionally, in-person and virtual attendees can view Annual Assembly content through early February 2025 - months of online engagement.
- **Diversified Access:** Advertising reaches both in-person and virtual attendees.

The digital platform is the AAPM&R conference website. Offering both in-person and virtual options, attendees and sponsors can customize their event experience. This hybrid event allows sponsors and exhibitors to showcase their products and services in person, as well as virtually.

Content will be added to the conference website and the event app starting with all keynotes and live-streamed sessions from the in-person Annual Assembly.

Additional recorded content from the in-person activity will be added during conference week. Participating in the virtual component allows for additional exposure.

Statistics from the 2023 website include:

- 113,628 pageviews (May – November)
- 2,509 user accounts with 10,745 logins
- 1,632 personal itineraries created with 33,737 presentation favorites
- 55,669 presentation views
