PM&R Panels

Gain Insights from Physiatrists. Let AAPM&R help you gain access to your target audience through:

- Surveys
- Market Research
- Advisory Panels
- Focus Groups

How Does PM&R Panels Work?

PM&R Panels is a forum of PM&R physicians based on criteria your organization selects. The American Academy of Physical Medicine and Rehabilitation (AAPM&R) will work with your organization to define goals and identify the appropriate panel(s). The criteria for the panels is based on various data points AAPM&R member physiatrists have self-identified as part of their member profile. PM&R Panels have a maximum of 500 PM&R physicians. (The panel size is dependent on desired criterion.)

Available Criterion for PM&R Panels:
- In-training PM&R physicians
- Practicing PM&R physicians
- Subspecialty certification
- Years in practice
- Primary practice setting
- Core clinical focus
- Primary clinical areas of care
- Procedures and services

To discuss your needs and how to engage physiatrists, please contact us, corporatesupport@aapmr.org or call (847) 737-6000.

PM&R Panel Criteria Selection
What are your primary goals for using PM&R Panels?
1. 
2. 
3. 

Please select as many of the following criteria as applicable. The criteria aligns with information AAPM&R member physiatrists have self-identified as part of their member profile. PM&R Panels can contain up to 500 PM&R physicians. The panel size is dependent on desired criterion, and AAPM&R will work with you to develop an appropriate panel based on your selections.

Member Category:
