Bylaws Report – Deborah A. Venesy, MD

Dr. Venesy introduced a proposed amendment to the Academy’s Bylaws:

- In 2018, a Bylaws recommendation to add an Advanced Practice Providers Membership Category was approved by vote at the Annual Business Meeting.
- A revision to the Bylaws regarding APP membership is recommended. The Board of Governors feels this clarification to the bylaws will demonstrate that physiatrists are supporting APPs as part of the rehabilitation team and encourage APP engagement under the leadership of the physiatrist.
- This proposed amendment has complied with all bylaws-defined procedures and requirements.

Dr. Venesy noted that if the proposed bylaws amendment were not approved by membership, APPs would still be members of the Academy but without the need for a physiatrist sponsor, per the 2018 AAPM&R Business Meeting decision. The current bylaws would not change or be impacted.

Dr. Esselman called for and accepted a motion to approve the proposed AAPM&R Bylaws Amendments as reviewed by the Board and presented at the Business Meeting. The motion was seconded. Dr. Esselman called for discussion. Academy members in attendance expressed support and concern and sought clarification. Dr. Esselman called for a vote and the motion passed.
